

## InfoSight™ DeNovo Services

At InfoSight, we understand De Novo banking and how to be successful. We know that the right partnerships will allow you to focus on your business, simplify compliance, and provide best in class financial services to grow your business. We have a notable record of successful former De Novo banks that opened with us and today remain happy and loyal InfoSight clients. We have years of experience and know how to respond to the arduous tasks associated with opening and operating an institution.

InfoSight offers a solution package to provide the essential needs that De Novo institutions require, along with professional consulting services that make future growth and regulatory compliance easy. We know capital preservation is part of the plan, so we have a variety of solutions to meet all budgets.

De Novo solutions include:

- Core Processor & Software Vendor Selection
- Pricing Proposal Analysis
- Operational & Technical Reference Visits/ Due Diligence
- Contract Negotiation
- Operational Start-Up/Staffing Assistance
- Coordination of the Overall Implementation Plan

Protect your assets properly starting from day one - using InfoSight's comprehensive approach to your information technology and security by designing, planning, implementing, and supporting your technology investments. Our team will design an infrastructure to meet the expected goals of your Business Plan without compromising valuable capital.

Information Technology Security & Regulatory Compliance Services include:

- LAN/WAN Network Implementation and Project Management Services
- IP Phones, Voice Mail and Contact Center Solutions
- Managed Security and GLBA Compliance Reporting
- Hosted Email, ISP and Content Filtering Solutions
- Onsite Support and Systems Administration Services

Benefits of working with InfoSight as an IT Partner include:

- Over a decade of proven experience working with multiple institutions and financial applications
- InfoSight's experience crosses multiple data centers and core banking products
- Technology consulting and solutions that help institutions with their strategic business goals and future plans
- Qualified to deliver Managed IT and Security Solutions because of the strength of our network and systems management expertise
- Provide trial periods for IP Telephony and Firewall/IPS solutions.

Let InfoSight help your institution experience significant growth and financial success during a time of great consolidation within the banking industry. Contact us today for more information.
